Diarmuid*

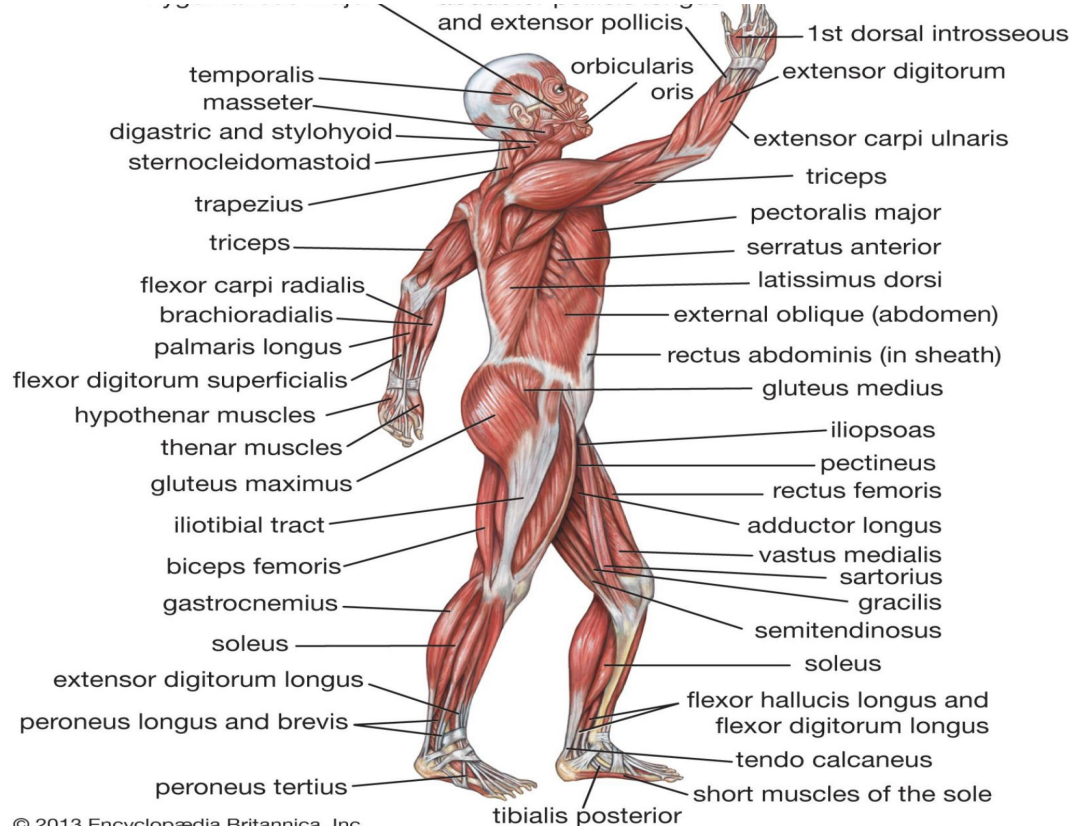

**Did you know?**

**The distance between your elbow  
and your wrist is your shoe size.**

**By Ciarán**

# Your muscles are the bits of you that hold you together and get you moving!

by Riain

# ***Baked beans aren't baked!***

***By Olivia***

# Did you know?

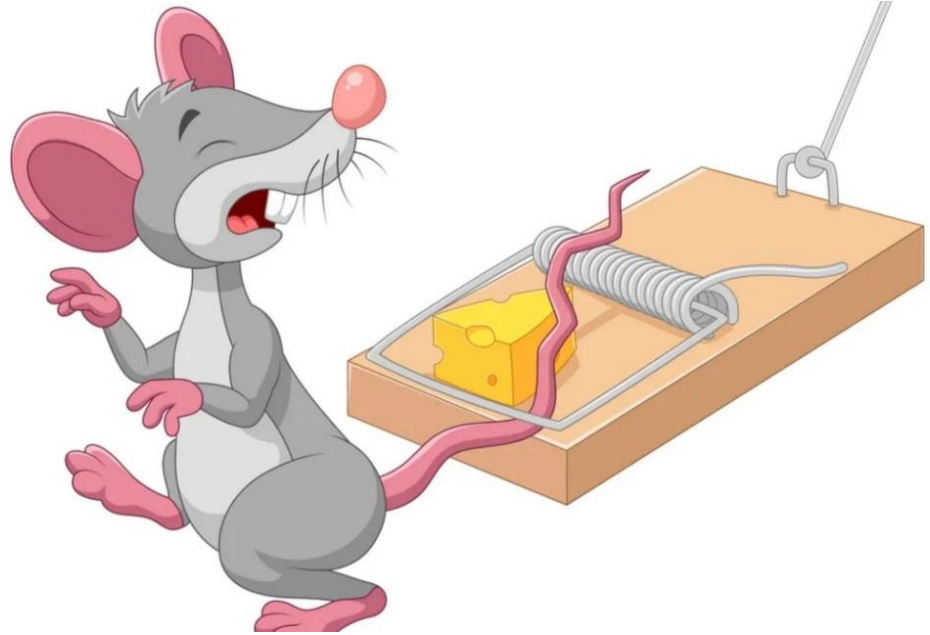

Pigs don't sweat.

By Daniel

A 155- year old mousetrap successfully caught a mouse in 2016.

By Grace Moloney.

Did you  
know that  
the  
strongest  
muscle in  
your body  
is your  
tongue?

By Hilary Hannan

An Elephants brain reacts to humans the same way humans react to puppies - they think **we are cute!**

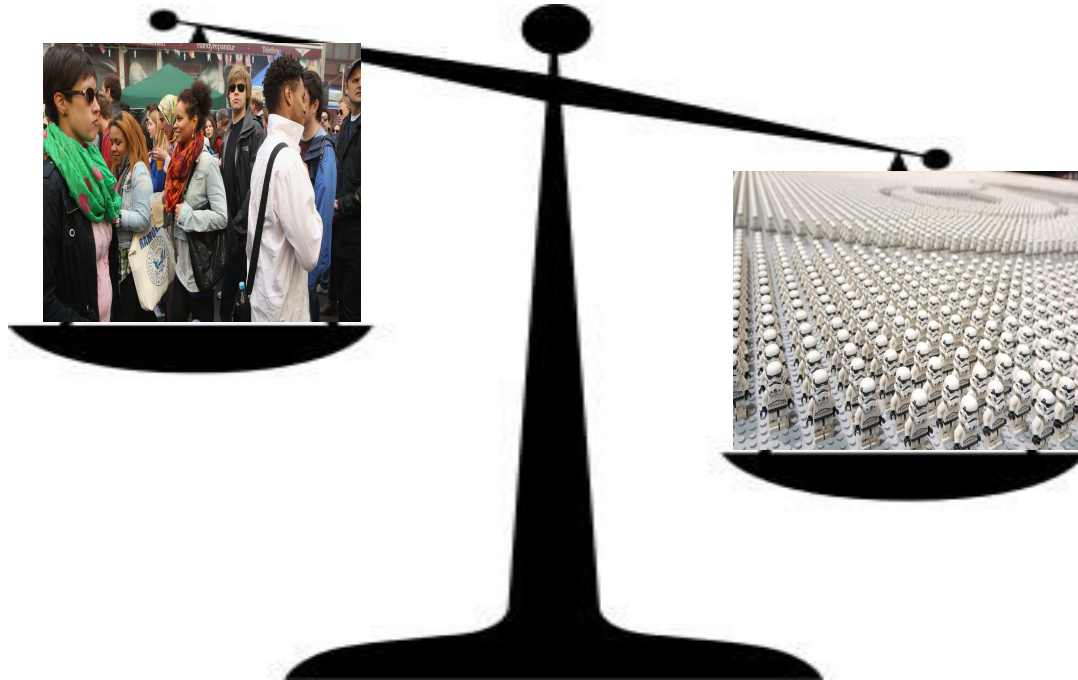

***A tarantula comes in many different colors such as blue green purple and red.***

***by Katie***

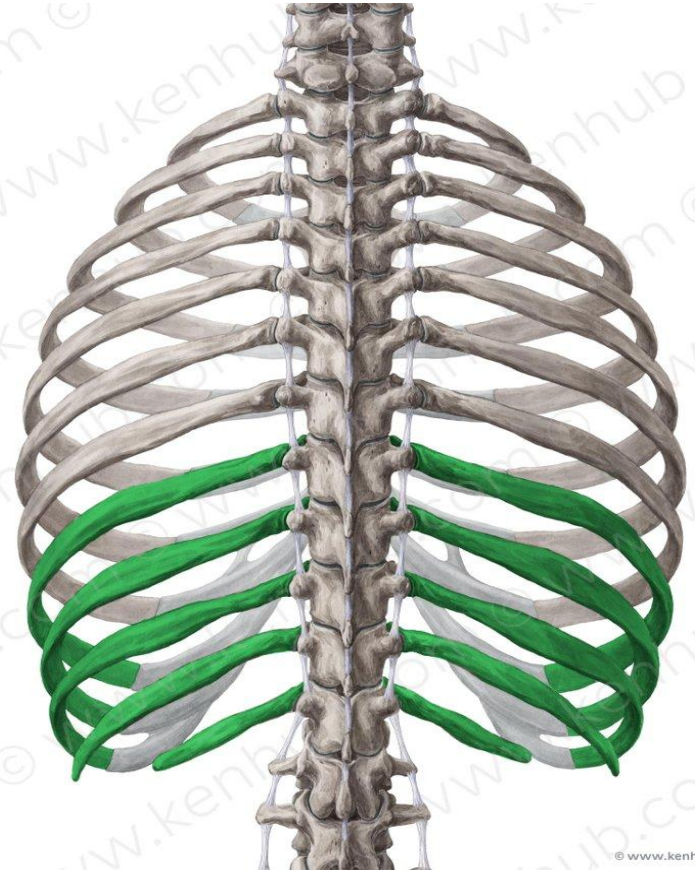

*There are more LEGO mini-figures than actual humans on Earth.*

*By Emma Teefy*

8% of  
people have  
an extra rib.

By Shane

If you eat too many carrots  
your skin will turn orange.

By Shane

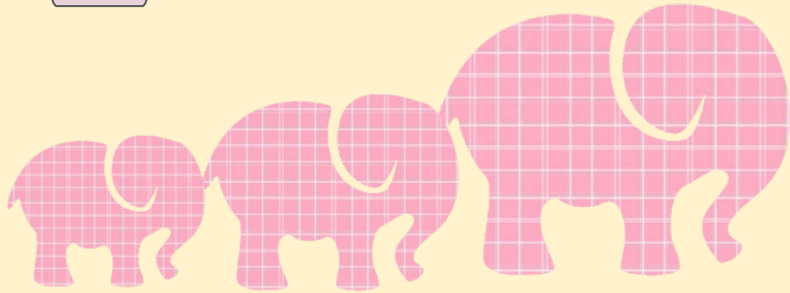

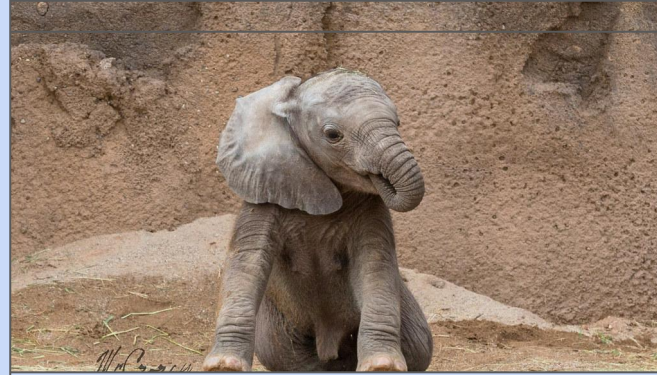

It is physically impossible for pigs to look up directly into the sky. By John

# ***Baby Elephants Suck Their Trunks!***

*Just like human babies suck their thumbs, baby elephants suck their trunks!*

***By Ciara***

# Sea lions have knees!

What's under the surface

What we see

By Ciara

A photograph of two young Black boys with short, curly hair, smiling and hugging each other. They are wearing dark blue polo shirts with yellow and white stripes on the sleeves. The background is a blurred green field.

More twins are born now  
than ever before!

By Cameron

Grapes go on fire in  
microwave!  
by Rowan

Every continent except  
Antarctica has at least one  
McDonald's.

By Ava O' Donovan

Sunsets on mars are blue

By David Tierney

When you blush  
the lining of your  
stomach also  
turns red.

By Melissa

Did you know  
12% of people  
dream in black  
and white

By Abbie Halpin

The microwave was invented when a researcher walked past a radar tube and a chocolate bar melted in his pocket.

Bonus fact:  
A duel  
between 3  
people is  
called a truel

**By Evelyn**

Children grow faster in spring.

By Meadh Connely

# ***Hippo's have lips that are two feet wide!***

By Chloe Chawke

**Did you know that the Queen owns all the swans in England .**

**By Holly Shortall**

A close-up photograph of a red squirrel with a bushy tail, sitting on a mossy tree stump and eating a nut. The squirrel is facing right, with its paws holding the nut. The background is a soft, out-of-focus forest scene.

Squirrels are behind most of the power outages in the U.S.A.
